An	was sent from Peiping	光 舅)*, a member of the to Canton in late Februa wangtung to help the local	ry to perstade	men of high	
	the land reform ## H	e was accompanied by LI Takeep him under surveillance	o (学頭。), a	Communist agent	
: \$. 5	At the time of his departure for Peiping in early March, NHLANG sold that if a third world were were to break out, members of the Kuominiang Revolutionary Committee (KMTRC) would sever their connections with the Colmunist Party and seek a new way out.				
il o	CHIANG also expressed the opinion that the Chinese Communicts are been pressing the purge too hard in Kwangtung and Kwangsi.				
lio	LI Chiechen suggested at a meeting in Peiping in early February that the Communist government ease up on the purge, but LIU Shao-chi rejected strongly to the suggestion, and it was not approved.				
	* Com	ment. In mid-1950 CHTANG angtung were confiscated.	Kuang-naila er	ensive land-	25X
